

Take a seat at the table.

Working together to build a better future.

About the Community Advisory Committee

The Community Advisory Committee (CAC) was created by a diverse, wide-ranging group of community volunteers, all with the goal of making this region more attractive for health-care professionals. Today, the CAC's focus has expanded to driving sustainable and measurable improvements for all residents and newcomers.

Supporting community development

The Chamber of Commerce and the CAC have helped our community thrive and grow by:

- Helping recruit a new full time family physician, improving our general practice care and urgent care coverage at Eastern Shore Memorial Hospital
- Advertising and attending recruitment fairs to attract new healthcare graduates to our community to live and work, while also delivering retention and appreciation events for existing healthcare staff in the region.
- Installation of AED outdoor accessible locations throughout the region.
- Enhancing community resources and amenities, from infrastructure to events, to make this region more vibrant and enjoyable for all.

More than business. It's about community.

COMMUNITY ADVISORY COMMITTEE

Sheet Harbour & Area Chamber of Commerce & Civic Affairs

Your voice matters here.

Open to residents. Open to ideas.

It starts with getting involved.

Who is the Chamber of Commerce?

We're your friends, family, and neighbours, working as a committed group of volunteers to help our communities thrive — from East Ship Harbour to Ecum Secum, and all points in between.

Whether making our streetscapes and community areas accessible and beautiful, collaborating on key initiatives like the marina and lifestyle centre, or knocking on every government door to rally support, everything we do has one goal: to enrich the quality of life for everyone who calls this area home.

We're not waiting for someone to "do something". We're doing it right now. And it's amazing what we can accomplish together. Join us and make a difference.

Have your say in shaping our community

- Become informed. Find out chamber activities online at sheetharbour.com
- Join your neighbours and become a chamber member
- Volunteer and lend a hand
- Attend a meeting and find out more! (Meetings are held on the first Wednesday of every month, September through June.)

Be Informed. Be Involved. Be Heard.

Community first, always.

Your community, your chamber

If you thought the Sheet Harbour and Area Chamber of Commerce was just for businesses, it's time to take another look.

Throughout this region and along each town and village that dots our shores, the Chamber — your friends, family, and neighbours — are working together to make our communities better places to live, play and work, so everybody can thrive.

We're building something great. Be part of it.
